Wistarian Arrives May 10; DuBreuil to Edit in 1954

The Purple Knight rides again, this time through the pages of the 1953 Wistarian, Editor Janet Golden announced last week. The theme, which has been held confidential until now, was disclosed in an exclusive interview with the SCRIBE. This is the first issue of the yearbook which has featured our loved symbol, The Purple Knight throughout the book.

DUBREUIL NEW EDITOR

Phillip Du Breuil has been chosen as the Editor of next year's book. Du Breuil has made some very definite plans for that year's book, but they are extremely confidential, he says. Phil is an industrial design major, and will be able to put this major to work on the art work which will be again a strong feature of the book.

The book is scheduled to appear on campus on May 10 and will be ready for distribution next week. This is another first for the Wistarian, as the book has never before been ready for distribution before Spring graduation.

NO CHARGES MADE

With the presentation of ticket number 45 of the Student Activity book, all students will be able to pick up their copy of the book in the Wistarian office, 3rd floor, Alumni Hall, every afternoon between 3 and 5 o'clock, from May 11 through May 15. No extra fee will be charged.

Art Editor Phil Du Breuil, and his staff members, Dick Weckler and Don Clarke, have put the Knight through his paces, and you will be able to see him cavorting around the campus and throughout the book, in the many unusual drawings featured in the book.

Editor Golden feels that the book will be an improvement on last year's book in many ways. She enumerated some of these — more informal pages, more and better individual student pictures and a more thorough coverage of the activities of the past year. The group pictures were taken by a professional photographer this year, and will reproduce much more clearly.

Revisions Made In Agenda For Senior Week-end

Changes have been made in the plans for the Senior Weekend due to unforeseen conditions and the possibility of saving some money on arrangements.

The Senior Prom, semi-formal, will take place at The Raven on Friday, May 29 from 8:30 to midnight. The cost has been revised downward to \$3.50 per couple.

Starting at 6 P. M. on Saturday, May 30, at the Barnum Winter Quarters, the prospective graduates will hold their traditional Senior banquet. Cost will be \$3.75 per person, \$7.50 per couple. This will include dancing, with refreshments extra.

Originally scheduled for Sunday, the Senior picnic has been changed to Monday, June 1, at Coulter's Grove. Cost for this affair will be \$2 single and \$3.50 per couple.

The Prom will be open to graduates and their dates only, but the other affairs will be open to guests.

All reservations must be paid for not later than May 20.

Commencement on June 3; Baccalaureate on May 31

Commencement ceremonies will take place Wednesday, June 3, at 8 P. M. in the Klein Memorial Auditorium.

Baccalaureate will take place Sunday, May 31 at 3 P. M. in the Klein Memorial Auditorium.

Rehearsal for the commencement will take place in caps and gowns on Wednesday, June 3 at 3 P. M.

Roscoe Ellard To Speak At Scribes Dinner

Roscoe Ellard, professor in charge of instruction at the Columbia University Graduate School of Journalism and book review editor for EDITOR AND PUBLISHER Magazine, will be the next guest speaker, Wednesday, May 13, at the University's sixth annual publications dinner sponsored by the University of Bridgeport chapter of Pi Delta Epsilon, national undergraduate journalism fraternity.

Mr. Ellard is also associated with the American Press Institute, contributes to THE CHURCHMAN, EDITOR AND PUBLISHER Magazine and is an editorial consultant for Traffic Quarterly and other publications for the Endowment, Yale University. He is also the American representative for the Press Yearbook of India.

CITATION WINNERS PRESENT

Winners of the annual SCRIBE Citation awards will also be announced at the dinner. These awards are given to students for excellence in athletics, for outstanding participation in civic affairs, for successful promotion of social activities, scholastic or civic achievement off the campus and for exhibiting a notable interest in the University's campus activities.

A similar award is also given to a member of the faculty who has done the most to better student-faculty relationships.

100 TO ATTEND

Approximately 100 students and faculty including staff members of the SCRIBE, Helicon, Wistarian and UB Radio Shows, members of the journalism department, Pi Delta Epsilon alumni, Council of Deans and this and former years' SCRIBE Citation winners will attend.

Prior to the dinner, Pi Delta will hold its annual Spring initiation in the conference room of Alumni Hall.

Final Exams Set For May 21-27

Schedules for final examinations, May 21 through May 27, have been made public this week for both Day and Evening divisions. The schedules will be announced in classes and posted on all bulletin boards and, in the case of evening students, mailed to home addresses.

All conflicts should be reported immediately to the instructors involved in such conflicts.

The Evening Division will have most all of their examinations on Thursday, May 21, and Monday, Tuesday and Wednesday, May 25, 26 and 27, with the exceptions noted on the schedule.

Day Division examinations will begin on Thursday, May 21 and will continue until Wednesday, May 27, including Saturday, May 23.

All examinations will be two hours in length unless otherwise noted.

Order Class Rings Next Week At Activities Office. AH

Class rings may be ordered by all students next week in the office of Floyd I. Brewer, second floor, Alumni Hall.

Singer Chosen Scribe Editor

GARY SINGER has been elected the new SCRIBE editor for the '53-'54 semester.

Lepow Named To Position of Managing Editorship

In the SCRIBE elections held April 30, it was voted unanimously that Gary Singer head your campus weekly as editor for the coming '53-'54 scholastic year. Gary has served previously as reporter, associate editor and news editor on the SCRIBE.

He will be aided by Al Lepow, past co-sports editor '53, who will serve as the SCRIBE's managing editor; Mary Royak, associate editor; Myra Seide, news editor; Bobbi Crane, feature editor; Randy Linthurst, copy editor; Mickey Vail and Don Burke, co-sports editors.

In the capacity of associate news editor will be Carl Dickman, associate copy editor is Jackie Atlas and associate feature editor, Cynthia Lee.

The SCRIBE business staff will be announced by Editor Singer shortly.

Glee Club, Concert Band and Kampus Kings Make Long-Playing Recording

A long-playing record of the Glee Club, Concert Band and the Kampus Kings was made under the direction of Mr. Worley last Tuesday and will be available for purchase by all students in the University Book Store by about June 1.

Expected to sell for about \$6.95, the high fidelity 33 1-3 unbreakable record will carry approximately 40 minutes of music and songs by the three groups.

The Ficker Recording Service of Greenwich made the recording with RCA making the actual pressing. The higher than usual cost is due to the limited edition.

Turkish Official Speaker At Education Convocation

Nezih Manyas from the Turkish Official Public Information will be the guest speaker at an education convocation on May 18, in

Sixteen Students Attend Seminar

Sixteen students representing twenty-seven organizations have enrolled in a seminar aimed at improving leadership, bettering recorders and secretaries, making more productive members of organizations, training observers and bettering organized committee work.

The non-credit course which meets every Monday afternoon between 3 and 5 P. M. in the Alumni Hall Conference Room is the brainchild of Student Council President Harvey Seltzer. The activity is sponsored by Mr. Floyd I. Brewer.

The original setup for the course was made up of steering committee consisting of Mr. Brewer, Carl Dickman, Bob Plotnick, Dave Miller and Ann Spartan.

The class is still open to all interested students and the informal class will be offered in coming semesters.

Trustees Signify Approval Of Religious Organizations

At a meeting of the Executive Committee of the Board of Trustees on April 28, the proposal to approve student religious clubs on campus, as voted by the Faculty Senate and the General Faculty previously, was unanimously approved by the Trustees.

This proposal reads as follows: "That the Faculty Senate believes that the University should approve the formation and operation of religious clubs provided that they be without restriction of race, creed or color. The Faculty Senate, however, favors continued effort to promote cooperation and understanding among religious groups and endorses the present policy of prohibiting re-

strictions of race or religion for membership in fraternities or sororities."

This means that effective at once student religious clubs may be formed and may operate officially on campus.

Faculty members on the Committee for Religion are Prof. Doe, Dr. Jaeger, Prof. Jacobs, Dr. Knepler, Prof. Mowshowitz, Prof. Nelson and Dr. Pickett (chairman).

This committee has considered the whole matter of religion on the campus, including the possible inauguration of chapel services and courses relating to the philosophy of religion.

Editor Says Farewell

Elections for the new SCRIBE editor were held last week... which means that the old editor has to pack up his equipment and say farewell.

It's a task that isn't easy... saying goodbye. It means bidding adieu not only to loyal staff members of the campus weekly, but to the University as a whole, its faculty and all the friends and acquaintances amongst the student body acquired during a collegiate career.

To the staff of the SCRIBE goes the most sincere expression of appreciation for their wonderful cooperation and earnest efforts on behalf of the paper... and the editor. What measure of success had been attained in serving the campus community has only been possible because of their selfless contribution of loyalty, time and effort.

With regret, we say farewell to all our friends, with the sincere hope that the friendships will continue... renewed by yearly reunions at the University... if our paths should lead in different directions after graduation.

Special thanks go to our printer, Bruce Altieri of the Bridgeport Sporting News, for his cooperation and understanding, when the copy wasn't in on time.

And to the new editor, Gary Singer, and his capable staff, we send our sincere wishes for a successful year. We know that the SCRIBE will continue in its best tradition.

And so, we say... farewell.

Globulin Polio Preventative

In 1952, polio scientists proved that there is a temporary prevention of the crippling caused by polio. This is called Gamma Globulin and is nothing more than the part of human blood that contains disease fighting antibodies.

There are about 46,000,000 children and adolescents likely to get polio this summer, and only about one million doses of gamma globulin will be available from now until September. These doses will probably be distributed by physicians and health officers in areas where the most cases occur. There will be no charge for the gamma globulin because it is being purchased by the March of Dimes at a cost of \$11,000,000.

Why is gamma globulin so scarce? It is scarce because one pint of blood makes only one normal dose of gamma globulin. This dose gives protection for about five weeks by providing polio antibodies which fight against paralysis.

You can add to the supply by donating a pint of your blood at a Red Cross blood bank. Do your share to prevent polio.

Paragraphing the News

Another first comes to UB campus with the forming of a History Club. This club, which will be run on a purely voluntary basis, will arrange its program according to the wishes of its members.

Prof. William Allen, of the History Department, is to be the advisor to the club and all history majors, as well as other persons interested, are urged to contact him regarding membership. Organization will take place this semester, with the actual operation of the club starting in the Fall semester.

The Health Service urges all persons who have not had a chest X-ray during the year to have one taken today. The chest X-ray unit is stationed at Roosevelt School on Myrtle Ave. The charge is 50c per person.

Mrs. Virginia Bayusik, Recorder's Office, has announced that students who desire transcripts will be required to give a ten day notice, due to the large number

requested at the end of the semester. One transcript is given free to each student with a fee of one dollar for each additional copy. Only those which are completed for official business, not personal records, will bear the University seal.

The last Selective Service College Qualification Test this year, for college deferments, will be held May 21. Applicants must apply at Student Personnel, Howland Hall, by May 10. Applications should be postmarked no later than midnight, May 11.

"Arts in America, an Evaluation" was the theme of this year's New England Regional Conference sponsored by NSA and held at Boston University, April 24-26. Representing UB were Chick Matt and Danny Leeson. Panel discussion groups on literary criticism, art, jazz and sculpture were held. James T. Farrell, author of "Studs Lonigan", was one of the speakers.

Dear Editor

Re: Phil Clark's letter of April 30th.
Clark, if the shoe fits... wear it.

Harvey L. Seltzer,
President, Student Council

ACP Pollsters Indicate College Students Favor Their Campus Newspapers

In a national poll of student opinion conducted by the Associated Collegiate Press, it was found that most students are satisfied with their campus newspaper, though not over enthusiastically.

In the recent poll, students across the nation were asked, "How would you rate the job your college newspaper is doing in stimulating student thought?" Excellent, good and fair constituted 89%, poor accumulated 8% and only 3% of the students had no opinion.

Some of the less favorable answers ranged from "Has only student news" to "Reminds me of our high school paper." 94% favored the coverage of campus life that their newspaper was doing.

Keys Are Sought For Tech Locks

Keys, symbol of trust and intrigue for centuries, have been the objects of grave concern for Dr. Henry W. Littlefield, vice-president.

Will the students who have keys belonging to the coat-hangers in this building please return them to T-113.

Sharpen Squares At Jam Session

By Ron Gold

Another step toward achieving the intellectual pursuits of the University students and townspeople of Bridgeport was achieved a few months ago when the first of many informal jam sessions was held at Alumni Hall.

The events, now held semi-weekly, provide a sounding board for the talent and versatility of many UB and Bridgeport musicians who accepted the opportunity to compare notes together for the pleasure and satisfaction that only artistic creation can offer.

Through music these have found a temporary peace with their world. On the bandstand, they find no wars or bombastic strife. They find no color line.

Many thanks go out to promoters Larry Alexander and Mil Trethowen from both the musicians and 'diggers' alike.

India Is Chosen As Site For Summer's Seminar

WUS (World University Service) Committees of India and Canada are sponsoring a seminar on "The Human Implications of Development Planning" this summer in India. American students and faculty members are eligible to participate in this study and make an analysis of the economic, social and political situation in Asia and North America, with particular reference to South Asia and Canada.

By IRNIE THROPP

Last Thursday, the Inter-Fraternity Council quietly re-accepted Alpha Delta Omega fraternity into the folds of the IFC. The re-acceptance marks a period during which ADO was suspended for violating an IFC ruling limiting each fraternity to one open dance per year. We say, "Welcome back!"

ALPHA DELTA OMEGA celebrated their return to the IFC ranks last Thursday night with a party. As the boys reminisced over their days of rebellious freedom they sang their "marching song", "Dixie", but they all agreed that the return was the best thing for both sides and hoped that things would be peaceful again.

PI OMEGA CHI had their annual weekend last week. Included in their activities was a post ball cocktail party at brother Leigh Dannenberg's house. A picnic, hay ride and dungaree party were held on Saturday, and a "lox 'n bagel" breakfast at Red Krasner's and a cocktail party at Bert Vines' Sunday.

Plans were completed for the annual installation dinner, May 10 and a combined beer party with SPA, May 8.

SIGMA LAMBDA CHI is having its semi-annual dinner at Little Hungary Restaurant, Sunday May 10. The SLX brothers say "watch for the clock."

THETA EPSILON's new officers are Peggy Daly, president; Abby Elstein, vice-president; Cissy Ross, executive secretary; Mary Royak, corresponding secretary; Babs Julien, alumni secretary; Mary Ann Fortin, treasurer; Sheila Haffner, historian; Marion Campbell, pledge master and Marcia Peden, social activities chairman. Good luck, girls.

THETA SIGMA had a cocktail party last Friday night before the dance at Tobey Strong's house in Southport. Saturday they had a social gathering at the Winter Quarters in the Hotel Barnum. The brothers concluded the weekend with a picnic on Sunday at Sherwood Island.

SIGMA PHI ALPHA held its Wistaria Weekend pre-dance cocktail party at John Rossignol's home. An alumni fraternity dance honoring the graduating SPA men will take place on May 15.

Job Open, Photographer and Darkroom Assistant

A part time position for someone familiar with photography and darkroom technique is open for an underclassman. Further information may be obtained by contacting J. Raymond Olive, publicity office, second floor, Cortright Hall.

TODAY —

All Day — Chest X-Ray, Roosevelt School, Myrtle Ave. — Charge 50c. per person.
8-10 P. M. — Hazen Foundation Program - Wistaria Hall.
8 P. M. — Chess Exhibition - T-101.
10:15 P. M. — Along Park Place - WNAB.

FRIDAY —

3-5 P. M. — Film Festival, "The Captain of Koepenick" - T 101
8-11 P. M. — Faculty Women's Club - T 101.
8-? P. M. — SPA - POC Social - Cellini's Restaurant.

SATURDAY —

11-11:25 A. M. — Varsity Time - WICC.

MONDAY —

All Day — Orders for Class Rings - 2nd floor, AH.

TUESDAY —

10 A. M. — Helicon Elections - AH Conference Room.
10 A. M. — Senior Class Meeting.
10 A. M. — Fencing Club Organization Meeting - AH 3.
11 A. M. — Protestant Group Meeting - CA.
All Day — Orders for Class Rings - AH.
WEDNESDAY —
All Day — Orders for Class Rings - AH.

This being the final column of the year under this by-line, I would like to take this opportunity to say some of the things that don't ordinarily see print. In keeping with the traditions of the SCRIBE, the newly elected editor and his appointed staff put out the final edition of the year, which is next week and so a new name will soon become familiar to all of you.

For two years now, I have labored over this typewriter, trying to think of things to say and how to say them when I did think of them. These two years have been great ones though, because throughout the 24 months, I have kept to my own personal ideals, to bring the important news in sports to your attention and in trying to give the reader a complete coverage.

Sometimes a few toes were stepped on, but more often backs were patted. The life old adage of "You can't please everyone" goes doubly well in journalism, but the aims of this reporter, never to offer criticism in bad light, were never violated, at least not in the mind of this writer, and as Prof. DeSiero always says, if you believe in it in your own mind, then it's got to be right.

I've enjoyed these past two years and I hope you have enjoyed seeing this column as much as I have in bringing it to you. I know that my successor whomever he may be, will continue to strive for the aims and ideals that I worked for, and my predecessors before me. One thing he should bear in mind, is that with the position goes a responsibility, the responsibility to the SCRIBE, the students, the administration, to himself, but above all, to his school.

A cardinal rule I've always employed is never to print anything which cannot in any way help someone, somewhere. Good judgement must outweigh bad judgement, for with the position goes the proverbial power of the press, to rest squarely upon his shoulders. Should that power shift to his head, then he should be removed.

Yellow journalism has no place in our society, much less on a college campus. Favoritism is out, for with it he cannot report the news as a reporter should. Above all, he must remember that this is the student's newspaper, and although the students are his readers, they are also his bosses. They may not direct his actions, but his responsibility alone should govern his actions.

I'm sure this will come to pass, because we want it to. There are no greater convictions than those in a man's heart, especially a journalist.

Before packing my trusty old typewriter in mothballs for the duration, I would like to say thanks. Thanks to each of you for giving me the honor of serving you, of placing your trust in me, and affording me the chance to express my thoughts.

I was happy when you would come up to me and complain about something in the Sportscope, because as long as you were complaining about it, I knew you were reading it. And before I sign off, I would like to say thanks to the many people that made my job interesting and assisted me in bringing the news to you. People like Gus Seaman, Lou Saccone, Ray Hirth, Ernie Amaral, Stan Silverberg, Mickey Donahue, Bobby Perez, Dick LaBash, Herb Glines, Walt Kondratovich, Phil DuBreuil, George Kisiday, Al Sherman, John Anderson, Joe Clark, Joe Iovino and the hundreds that never saw their name in print.

I'm proud to have called all of you my friends.

Alumni-Faculty Defeated In Weekend Softball Tilt By Narrow 8-3 Margin

By Al Lepow

In a game that could rightly have been called Youth vs the Aged, the Intramural All-Stars pounded out an 8-3 victory over a combined Alumni-Faculty team last Saturday afternoon as part of the annual Wistaria Festivities.

Walt "Rapid Robert" Kondratovich supplied most of the fireworks for the aged, as he pounded out a monstrous Mantle-type home run with one man on base. Although, he is one of the younger of the old, "Rapid Robert" had to use his wheel chair for the last sixty feet of his streak toward home plate.

James "Mantle" Halsey provided most of the vim and vigor for the losing team. Believing his age, "Old Jim" was a pepper pot during his short stint in the outfield. After a mighty swing which sent the ball all the way to second base on the fly, "Mantle" had to retire to the dressing room for his liniment.

"Pee Wee" Fenner played a whale of a game at shortstop, but he would have done much better if the game he was playing was softball. "Pee Wee", after three futile attempts at the plate, finally connected and drilled the ball through the pitcher's mound. Not stopping at first, "Pee Wee" went "ripping" into second. The game was momentarily halted while repairs were made to his uniform.

John "The Rock" Sherry almost lost his cigar as a hot hit line drive went zooming over third base. "The Rock", as unmovable as a keystone sacker as there is, went leaping over, just in time (the ball missed him). The next time he got up to bat, smoke kept pouring out of his ears.

Other outstanding contributors towards the losing cause were "Big Jaw" Sherman, "Red" Austin, Ray "Typewriter" Olive, Al "Hooks" Wolff, Joe "Di" Chamberlain, "Shotgun" Brewer and "Yogi" Parris.

KNIGHTS DEFEAT WHITE PLAINS FOR SECOND VICTORY IN ROW

By Don Burke

Although he didn't know it at the moment, when Jim Halsey won the 880 yard run against White Plains Tech last Friday, he was writing a page in history. The five points Halsey picked up for his

Softball Playoffs Near As Season Draws to Close

By Irv Sobolov

With the semester fast coming to an end, so are the intramural softball leagues. As it looks now, SPA and POC will play against Park Hall and AGP in the playoffs. The playoff schedule calls for the winning team in the "A" league to play the runnerup in "B" and just the reverse in the other elimination, with the winners meeting for the championship.

Last week SPA and Park Hall continue their leaderships in their respective leagues. Park Hall took three games in last week's play starting with a 10-5 victory over DEB and a 32-22 marathon from TS on Tuesday. Their third victory came on a forfeit from ADO which dropped out of the league.

SPA remained unbeaten in their defense of the title by taking a forfeit from APO on Tuesday and defeating KBR 15-2 Thursday. POC stayed right behind the leaders by taking APO twice, 18-5 and 18-9 and then trouncing KBR 19-8.

In other games played last week AGP took DEB into camp 17-2, DEB and TS received forfeit wins from ADO and AGP defeated TS.

About the longest game ever recorded in the UB softball intramural's annals was the Park Hall win over KBR in 11 innings. The game took a total of three and a half hours to complete. The total of 55 runs in one game should be some kind of record for the intramural leagues.

victory turned out to be more than enough to defeat the New York school as UB went on to a walloping 80-29 victory.

That win, following a 63½-49½ trouncing of Fairfield University marked the first time a Purple Knight track squad had won two meets in a single season.

Against Fairfield, UB was at its best. The Knights took an early lead and were never challenged by the Red Stags as first year men carried the brunt of the load.

Victories by Don Glasing in the 100 and 220 yard dashes. Fred Klein in the 880 and George Curcak in the discus and javelin were the high spots of an all-Bridgeport day.

Led by Captain Phil DuBreuil who garnered 20 points by winning the shot put, discus, high jump and broad jump, everyone got into the act against an out-manned White Plains squad. But once again it was the newcomers who stole the spotlight.

Coach Walter Kondratovich, while pleased with his charges' performances in their last two outings, is still working them at a fever pitch in preparation for the coming meet against New Haven and the State meet on the 16th.

Yesterday the Knights were scheduled to take on a strong Arnold College unit and next Wednesday they travel to New Haven to meet the teachers college.

Stags Beat Knights 7-2 In Patterson Golf Match

A decisive 7-2 whipping by Fairfield University at the Patterson Club last Thursday reduced the University of Bridgeport golf team to a five hundred average for the first time since early '51.

After two victories from New Haven State Teachers and White Plains State Tech, the linksters were turned back in their next two encounters by Iona and Seton Hall. UM managed to keep its head above water when they beat White Plains for the second time, but were quickly submerged by the loss to Fairfield last week.

Last Tuesday, UB met Seton Hall in a return match and this afternoon they travel to New York to compete in the Metropolitan Tournament.

1953 Grid Schedule Lists Eighth Opponents For Knights

Eight games will comprise the 1953 gridiron schedule for the Purple Knights of the University of Bridgeport, according to a recent announcement made by Walter (Kay) Kondratovich, football coach and acting athletic director.

The Knights will split their slate, with four games at Candlelite Stadium and four on the road. The home games include Upsala College of East Orange, N. J., opening game opponent, Adelphi College of Garden City, N. Y., Arnold College of Milford, Conn. and St. Michael's College of Winooski Park, Vt.

Kondratovich's charges will also meet Brandeis University at Waltham, Mass., New Haven State Teachers College at the Elm City, New Britain State Teachers College at New Britain and Wilkes College at Wilkes-Barre, Pa.

Basically, the 1953 schedule is the same as the previous one, which saw UB drop seven of its nine games, the poorest mark since football was inaugurated in 1948. The only difference in the new campaign is the dropping of Maryland State College from the schedule.

One open date remains on the new slate, Sept. 26, but efforts to fill the vacancy are now being made. Homecoming game has been tentatively set for Oct. 31 when St. Michael's visits Bridgeport.

The complete schedule is as follows: Sept. 19 - Upsala (H); Oct. 3 - Brandeis (A); Oct. 10 - Adelphi (H); Oct. 17 - New Haven (A); Oct. 24 - Arnold (H); Oct.

31 - St. Michael's (H); Nov. 7 - New Britain (A); Nov. 14 - Wilkes (A).

Stationery Dept., Street Floor

By ANDY DEMOTSES

Judging from the look on everyone's face, this is the weak-day after the week-end. That's what I like about college life. . . The success of an affair is measured by the amount of aspirins that are consumed the following day.

All kidding aside, everyone agrees that it was a wonderful weekend and the many fraternity parties played a large part in its success.

It happens every Spring: A young man's fancy turns to what the girls have been thinking about all winter. . . ROMANCE. . . Be on the look-out for couples holding hands and staring at each other for long periods of time; for these are sure indications of the arrival of Spring and the conception of Summer.

Cuties of Schiott Hall sponsored an Open House last Sunday afternoon and from all that I could see, they spent most of the time taking pictures of each other all day long.

Seniors, attention. . . Your last chance to attend a school function as an under-grad is here in the form of Senior Weekend. Sign up now and assure yourself of a good time.

Next time you hear the commercial for a "bonded messenger", think of Dick La Bash, for that is exactly what he does for D & Son in his spare time.

Jan Golden says, and I think she is right, that this year will be the first year the Yearbook will be out on time. May 10 is the expected delivery date.

David Masnik, the wholesale liquor dealer, must have a soft spot in his heart for UB students. From latest reports, there are 6 or 7 of the RECTORS working there and a couple of other guys to boot.

Quickie from Frank Santoro: She makes her own sweaters, she knows her knit and purl; but I doubt if that's the reason they call her a sweater girl.

The "Knock Out" boys are still going at it hot and heavy every day. Until recently, it was just the guys who sat around playing cards. Now it seems they have formed a

Woman's Auxiliary. Membership is very difficult to obtain, but there are still a few openings if anyone is interested contact Jerry Raucher, the grand old man.

Wishes of discovery of another "loaded" sugar daddy at the Seawall are being made by Dave Rodgers and Chuck Elovecky after last Monday night.

It's always nice to be the first in something and UB has the chance to be the first college in the country to have a completely organized Civilian Defense Unit on its campus. YOU are the ones to decide if we get it or not. Volunteer for CD and help yourself, your school and your country at the same time.

Speaking for everyone on the campus, I want to congratulate our beautiful Wistaria Queen. We are all proud to say she represents the traditions that our school has been built upon.

You probably have seen Syd Litwak around a few days ago. He just returned from Arizona. But did you know that he and Nina Silver of Wistaria Hall are pinned? Well they are. . .

Soon you will be called upon to vote for next year's Student Council representatives. This is a serious matter and should be given much careful thought. YOU must decide who YOU want for our leaders next year and vote accordingly.

The girls from Bridgeport Hospital (College of Nursing) are having a dance May 15 at Lenny's. This should be a good opportunity to relax before finals, so why not grab a ticket (and a date) and go out there and have a good time??

'A Night in Venice', a gigantic musical with a cast of over 500, will give college students with unusual dancing and singing abilities a chance to perform for the summer at Jones Beach in Long Island. Who knows, we may have a future "star" here at UB. Let's hope so.

From Southport Hall comes word that Norm St. Pierre and Betty Segarra are, to steal an expression from the BIG columnists, "that way" about each other.

Sad as it may seem, finals will soon be upon us. That means that another school year is coming to an end. . . and so is this column. So long 'til next week, when we come out with the last issue of the school term.

Kampus Kings Coronated As UB's Musical Royalty

By Cynthia Lee

One of the nicest things about a relatively small university is that you can find almost every kind of student activity functioning as an integral part of campus life.

Such an enterprise is "UB's own dance band," the Kampus Kings, lords of musical creation who have been furnishing us with "better music for less money" since their incorporation in the Spring of '52.

Most bands have to go through ten years of one-night stands, high school prom dates and mid-night rehearsals before they achieve any measure of success. Not so with the Kampus Kings. All it took was a bright idea, a group of talented musicians and an occasion like last year's Circus Dance to get these boys under way.

From the beginning, bandleader Danny Leeson had the best material with which to start — UB students and local musicians who had had experience playing the musical gamut, everything from bebop to Beethoven.

For example, pianist-trumpeter, Howie Marks, who is now devoting his time to the study of more "serious" music, started out "on the road" at the age of fifteen and has played with some of the top name bands in the country.

Freshman Ken Griswald, trombonist, began his dance band experience with the formation of his own dixie-land combo in his home town, Stratford.

UB graduate Frank Kraynick, now associated with the Fairfield Music Center and once a soloist with local organizations, as well as being a member of the Connecticut Symphony Orchestra, takes lead trumpet with the Kings, while another versatile UBite, Gary Singer, fills the second seat.

In memory of the famous "Hungry Seven", the Kings can even boast of a "visiting fireman" with their organization. Firefighter Roy Newton, when not protecting Bridgeport homes, plays a "cool" sax for the boys.

The rhythm section is headed by Bridgeport's Dominic Sarge on drums and Waldo Eddy on bass fiddle. Music major John Rossignol blows the clarinet and baritone sax, while Norwalker Armin Postal, another man of experience with well-known dance bands, plays lead alto sax and also doubles on oboe, clarinet and flute.

Heading the musical lineup is organizer and director Daniel Leeson, a mathematics major with a future keyed to the practice of medicine and forte for the clarinet and saxophone.

Formerly a member of many city symphony orchestras, he frequently gives local clarinet concerts.

The band uses many of its own arrangements, done especially for them by Howie Marks. Their musical babies are "Hey Dad," "Moon Nocturne," "Lover's Lean," "Embraceable You" and "All The Things You Are."

To date the Kampus Kings have played engagements for the Foot-

ball Hop, the IFC Dance, the POC Dances of '52 and '53 and the 1953 Sweetheart Dance. They were also featured at the Beta Gamma and Theta Epsilon dances, and at the Linden House Party.

Old Punches Delivered To University Library

The University Library received a set of Punch, the British humor magazine covering the period from 1891 to 1930 and a set of Harper's Magazine, covering the period from 1850 to 1907, as a gift from Branford College of Yale University last week. The sets total over 150 volumes and will supplement the copies which are presently in use at the library.

Distributions Forum Beckons University

The College of Business Administration of the University of Bridgeport has been asked to participate in the organization of the 25th annual Conference on Distribution, which will take place next Fall, announced Dean Eaton V. W. Read.

The two-day Boston conference, a national forum on problems of distribution, aims to provide a common ground for discussion of major problems and to stimulate further interest in the importance of this phase of our economy.

The conference is sponsored by the Boston Chamber of Commerce in cooperation with Harvard, Boston University, Massachusetts Institute of Technology and other colleges and has a national and international advisory council composed of leading industrialists from all over the world.
